If your contribution is \$300 or more, the following explains our **banner thank you program**:

- All banners are made for Colonial Christian School by our vendor.
- All banners are white with your choice of _____ red or _____ blue lettering/graphics (please check one).
- All banners are 3'x5'.
- All banners will be displayed on the 296 St. fence of our athletic field until June.
- At that time, contributors are welcome to keep their banner, or renew for the following year for a \$200 contribution.
- We will work with each contributor to design a banner using the below general guidelines which allow for our school property to maintain an orderly look:

- Colonial Christian School maintains the right to approve of the nature of the organization that they accept a donation from, as we are a ministry of South Dade Baptist Church.
- Colonial Christian School also has final approval on all banner designs.
- A representative of Colonial Christian School will call you within 48 hours after receipt of donation to personally thank you.
