

Colonial Christian School

Senior Trip Prepayment Plan

Student Name _____

Current Grade _____

Amount: _____ \$15 _____ \$20 _____ \$25 Other _____

Terms of the Senior Trip Prepayment Plan:

- A restricted account will be established for your child and that amount would be deposited in it with each of your 10 yearly payments.
- The account is a one-way account, meaning that you can make deposits, but not withdrawals. This is to avoid these accounts becoming a huge paperwork burden for our small (but awesome) office staff. While we understand that family emergencies might come up, we want you to consider this money fully spent and gone once you make a payment.
- During your child's senior year, they and their class will have the opportunity to choose a location and lock in a price for the senior trip. There are three possible scenarios at that time:
 - You deposited more money than needed... Then your family will receive a check for the overage and we are confident that it will come in handy as spending money for the trip, or other senior expenses like pictures.
 - You deposited exactly what you needed... No action would be required.
 - You deposited less than the amount needed... You would be responsible for the balance due by 60 days prior to the trip departure date.
- If you take part in the Senior Trip Prepayment Plan and find it necessary to withdraw your child from CCS prior to your child's senior trip, the amount would be refunded in full.
- This amount will be reflected as an additional fee on your FACTS agreement with the school, and will be paid along with the rest of your monthly payment.
- In the event that you withdraw from the school, and have an outstanding balance, that amount will be deducted from this account prior to a refund being issued.

I have read, understand, and agree to fully abide by the terms of the Senior Trip Prepayment Plan.
